Subject:- Kudumalakunte toll gate - Check gate to - opening of -

Sir,

In forwarding herewith a copy of letter No. A7-C.540/38-39 dated the 13th September 1938 received from the Deputy Commissioner, Kolar District, recommending the opening of a check gate near the the level crossing of Dodkurugod Railway Station, adjoining Bangalore-Hindupur Road, I have the honour to state that it is reported that the carts coming from Goribidnur side pass on to the British limits evading tolls at the existing toll gate by taking a turn to the right via Jodi Yerranahalli and likewise the carts from Chowlur side escape payment of tolls by taking a turn to the left from the high road to Kudumalakunte.

The Deputy Commissioner says that the opening of a check gate is necessary to prevent leakage of toll revenue. From the Deputy Commissioner's report is is clear that the proposal does not involve any additional expenditure to Government on account of staff, as it is proposed to depute a mutsaddi and a peon from the staff of the main gate to keep watch at this gate only on shandy days viz., Fridays, Tuesdays and Sundays.

In these circumstances I request you to be so good as to obtain sanction to the Deputy Commissioner's proposal to open a check gate near the Dodkurugod Railway Level Crossing.

I have the honour to be,
Sir,
Your most obedient servant,

K.M. Narasimhaiya

Subject:- Proposal for the opening of a temporary check gate to the Frontier Toll-gate at Kudumalakunte - Goribidnur Taluk, near the Railway level crossing at Doddkurugod Railway Station- adjoining the Bangalore, Hindupur Road.

****

In forwarding herewith the entire file of correspondence ending with Chickballapur Sub-Division Officer's Memo No.Sl.C. 205/38-39 dated 4th August 1938 on the above subject, I have the honour to state as follows:-

Amildar Goribidnur Taluk reports th t carts coming from Goribidnur side take a turn to the right from the high road just near the Railway level crossing close to the Dodkurugod Railway station platform, pass on through Jodi Yerranahalli Village limits and join the Gollapur road in British limits a mile and a half and thus escape payment of toll. He further states that carts coming from Chowlur side also take a turn to the left from the high road near Kudumalakunte approach road and pass on through the village and also on some survey numbers of the village and finally leave the State limits about 2 miles from the Frontier toll gate and pass on to British Limits thereby escaping payment of Toll. It is further reported that the check gate may be located near the Railway Level crossing adjoining Bangalore-Hindupur Road in order to prevent carts escaping without payment of toll and to prevent leakage of Toll Revenue.

The Amildar further suggest that as the watch at the proposed Check gate will be only on shandy days ie., Tuesdays, Fridays and Sundays, no additional staff is necessary, as it could be worked by one of the mutsaddies attached to the Kudumalkunte Frontier Toll Gate, entailing no additional cost. A sketch showing the exact position of the proposed check gate submitted by the Amildar is enclosed in the file.

The Sub-Division Officer, also supports the recommendation of the Amildar and opines that the opening of a Check gate is necessary.

In view of the above circumstances, I request you to kindly accord early sanction for the opening of a check gate at the Railway level crossing marked in the enclosed sketch, one of the Mutsaddies and a peon out of the existing staff on the Kudumalakunte Frontier Toll gate being deputed to keep watch at the gate on Tuesdays, Fridays and Sundays as proposed by the Amildar and recommended by the Sub-Division Officer. The remaining staff will be asked to manage the main gate on the above days.

I have the honour to be,

S i r ,

Your Most Obedient Servant,

For Deputy Commissioner,

Kolar District.
